

Miami

Locations

click on pink text below for location details...

Matheson Hammock Park

If you want photographs showing a unique side of Miami, more hidden from popular view, this would be it; native mangroves, beautiful large oak trees and a little beach by the bay. Fees apply.

Crandon Beach Park

Crandon Park Beach is a large beach in Key Biscayne with natural sand dunes and lots of palm trees. A great spot for a maternity or family photo session that will certainly excite children. Fees apply

Ancient Spanish Monastery

An stunningly historic venue in North Miami with beautiful ancient backdrops and lush green colorful gardens. This venue is perfect for any photoshoot. A photography permit is required.

Vizcaya Museum & Gardens

A personal favorite of mine, this is a truly spectacular location with beautiful landscaped and semi-wild gardens, lakes and streams, plus the stunning museum itself. Perfect for couples and engagement sessions. A photography permit is required.

Gold Coast Railway Museum

The perfect location for that 'vintage' look. Unique backdrops include historic trains, brick buildings, and a rustic grass field. A photography fee is required. Please contact the venue for updated prices.

Fairchild Botanic Gardens

This exotic garden has beautiful flowering vines, spiny forests and sparkling lakes. Perfect for any photoshoot. A photography fee is required. Please contact the venue for updated prices.
